## Alternative Funding Resources

Thank you for choosing SCI Recovery Project for your Adaptive Exercise needs. Although SCI Recovery Project offers the lowest cost program of its type in the nation, we recognize that financial constraints may impact your ability to access our programs. In an effort to impact as many lives as possible SCI Recovery Project offers resources that can assist with the financial burden of maintaining a healthy lifestyle. Please contact individual organizations for more details. Be aware that each organization may have specific policies for reapplication. We recommend contacting more than one organization at a time to help minimize any lapse in service due to a funder's reapplication policy.
